Experience

APEXPLANET SOLUTIONS PVT LTD   *Gaya, Bihar (Remote)*
Web Developer Intern   *April 2025 – May 2025*

- Gained experience in front-end development by implementing responsive UI designs using HTML, CSS, and JavaScript.
- Collaborated with designers to ensure pixel-perfect layout conversion and optimized component behavior across devices.
- Strengthened understanding of web development best practices through real-world project tasks and peer code reviews.

AMAZON   *Delhi, India (Upcoming)*
Team Lead Intern   *July 2025 – Aug 2025*

- Selected for a leadership internship in operations, team supervision, and performance tracking.
- Will oversee workflow execution, coordinate shift-level productivity, and support data-driven decision-making to meet KPIs.
- Expected to collaborate with cross-functional teams to enhance operational efficiency and drive process improvements

Education

GRATER NOIDA INSTITUTE OF TECHNOLOGY   *Greater Noida, U.P*
Bachelor of Technology in Computer Science and Engineering   *Nov 2022 - May 2026*

- CGPA: 8.65 | Academic Achievement Award (2023, 2024)

Projects

ONLINE HOUSE RENTAL PLATFORM   <u>Demo</u> | <u>GitHub</u>
EJS | Node.js | Express.js | MongoDB | HTML5 | CSS3 | Bootstrap | JavaScript
- Engineered a full-stack rental platform enabling users to list, search, and book properties with real-time updates using EJS and Express.js.
- Integrated MongoDB to handle property data, user accounts, and rental transactions with high scalability.
- Implemented secure authentication, advanced filtering, and responsive design to enhance usability and performance across devices.

MENTOR CONNECT *(Team Project)*   <u>Demo</u> | <u>GitHub</u>
HTML | Tailwind CSS | JavaScript
- Contributed to front-end development of a mentorship web platform connecting mentees with industry mentors.
- Implemented responsive UI components using Tailwind CSS, ensuring consistency and cross-device compatibility.
- Collaborated with backend developers to integrate booking and profile features with seamless user interactions.

PORTFOLIO   <u>Demo</u> | <u>GitHub</u>
HTML5 | CSS3 | JavaScript
- Crafted a personal portfolio site to showcase projects and skills, utilizing semantic HTML and modular CSS.
- Built responsive design and smooth navigation for optimal viewing on all devices.

Skills & abilities

Languages: C, C++, Python, JavaScript, PHP, HTML5, CSS3
Frameworks / Libraries: Node.js, Express.js, Flask, Tkinter, Bootstrap, Tailwind CSS
Databases: MySQL, MongoDB
Tools & Platforms: Git, GitHub
Open Source: Contributor to Hacktoberfest 2023 & 2024 — resolved issues related to web development

Professional Development

- **Certifications:** <u>AWS S3 Basics</u>, <u>AWS Build a Business Architecture</u>, <u>Introduction to Cybersecurity Cisco</u>, <u>SQL</u>, <u>Google Cloud</u>
- **Workshop:** <u>Web Development</u>, <u>Python with IOT</u> in collaboration with Softpro Solutions & AKTU.
- **Clubs**: Member of Google Developer Group (GDG), Corporate Skill Development Center (CSDC), & Cultural Club at GNIOT
- **Hackathons:** Smart India Hackathon(2023) & 2024 , Code Cubical 2.0
